Diamond Valley Library

Diamond Valley Library offers a large contemporary collection, dedicated children's spaces, individual study and work areas, meeting pods, and a spacious community room available for booking. A vibrant community garden and a wide range of regular programs, workshops, and social activities make the library a popular destination for all ages. Accessibility and parking are key features of the library. The building is single-storey with no steps or level changes and includes accessible toilets and a parents' room. Visitors can access abundant all-day parking, including two designated accessible parking bays located close to the entrance, with a handrail available for most of the route.
